

Manuscript First Page Proforma

(author to fill and submit as First page of Manuscript)

1. Research Paper Information

1. Title of the paper:

.....

2. Author(s) name [Put star (*) on the name of corresponding author] :.....

.....

3. Author (s) affiliations:

.....

.....

4. Corresponding author e-mail:

5. Running title:

6. Type of paper: Original paper Review paper

7. Total pages: Tables: Figures:

2. Self Evaluation

Quality-wise paper is Innovative Excellent Good Average Routine

Useful in future research Useful in developing technology

Newer interpretations Have applied significance

Justify scientific merit—how and why?

.....

3. Award Eligibility Certificate (to be given by Senior most author)

I have read and checked the paper carefully (experimental data, Interpretations derived etc.) and it is technically fault free to the best of my knowledge. It is also not a routine research work.

I further accord my CONSENT for considering this paper for the best paper published in *Journal of Environmental Biology*.

JEB International award JEB-Young Research Award (attach proof of age)

The required particulars of the Awardee are as below:

Name:.....

Date of Birth:.....

Professional position & address :.....

.....

.....

E-mail id:Telephone/Mobile:.....

Signature of Awardee

Date:

Signature of Senior most author
